

RoofTec[®]

SYSTEMS

OxiTec

Use to restore siding, awnings and gutters after oxidation or sunlight damage – even gutter tiger stripes!

1 US Gallon

Biodegradable

Water-Based

Phosphate Free

For Professional Use Only – Do Not Use Bleach with OxiTec

Use this softwashing detergent on surfaces that have oxidation or sunlight damage to restore surfaces such as aluminum siding, vinyl siding, awnings, and gutters, including removing tiger stripes from gutters.

Remove oxidation and UV damage easily with the dilution recommendations below. Apply with a pump sprayer or brush, then rinse thoroughly.

Use Instructions:

Avoid contact with solar panels including the sides, underside, wiring harnesses and/or cables. Use OxiTec gallons as listed for each application:

OxiTec	Water	Surface Type	Results
1 gal.	4 gal.	Vinyl and Metal Siding	Removes light oxidation
1 gal.	2 gal.	Gutter Tiger Striping	Removes moderate oxidation
1 gal.	1 gal.	Metal Roof Restoration	Removes heavy oxidation

⚠ WARNING: This product can expose you to Diethanolamine, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov

Solo para uso profesional – No utilice lejía con OxiTec

Utilice este detergente suave en superficies que presenten oxidación o daños causados por la luz solar para restaurar superficies como revestimientos de aluminio, revestimientos de vinilo, toldos y canalones, incluida la eliminación de estriado en los canalones.

Elimine fácilmente la oxidación y los daños UV con las recomendaciones de disolución siguientes. Aplique con un rociador de bomba o un cepillo, luego enjuague bien.

Instrucciones de uso:

Evite el contacto con paneles solares, incluidos los laterales, la parte inferior, los arneses de cables y/o los cables. Utilice los galones de OxiTec indicados para cada aplicación:

OxiTec	Agua	Tipo de superficie	Resultados
1 galón	4 galones	Recubrimiento de vinilo y metal	Elimina la oxidación ligera
1 galón	2 galones	Estriado de los canalones	Elimina la oxidación moderada
1 galón	1 galones	Restauración de techos metálicos	Elimina la oxidación intensa

Contiene: agua (CAS 7732-18-5); etanol, 2-amino- (CAS 141-43-5); alcoholes etoxilados, C9-C11 (CAS 68439-46-3); alanina, N, N-bis (carboximetil) -, sal trisódica (CAS 164462-16-2); aroma floral; Ácido 1-octanosulfónico, sal sódica; mezcla de quelación; Alcohol isopropílico; sulfato de sodio; NTA trisódico; dietanolamina; amarillo ácido 17; amarillo ácido 11; fluoresceína, disodio; C.I. Amarillo ácido 23

⚠ ADVERTENCIA: Este producto puede exponerlo a Dietanolamina, que según el estado de California provoca cáncer. Para obtener más información, visite www.P65Warnings.ca.gov

OxiTec
