

Pro Spotter (B121)

All-Purpose Professional Spotter

FOR PROFESSIONAL USE ONLY

**Removes a wide variety of common spots.
Safe for water-cleanable synthetic and natural fiber carpet and upholstery.**

APPLICATION: Spotter

DESCRIPTION

Pro Spotter is a powerful ready to use all-purpose professional spotter for carpet and fabrics. Water-based formula for safety and ease of use. Can be used on synthetic and natural carpets, as well as on water-cleanable upholstery and fine fabrics. Pro Spotter is specifically formulated for safety and ease of use. The potent cleaning ingredients remove a wide variety of common spots and spills found in residential and commercial cleaning environments. Gentle yet effective.

FEATURES

- Powerful all-purpose neutral spotter
- Removes a wide variety of common spots and spills
- Meets specifications for use on stain-resistant carpet
- Safe for use on synthetic and natural carpet, water-cleanable upholstery
- Available ready-to-use in quart bottles

WHERE TO USE

For all-purpose use on synthetic and natural carpet, as well as water-cleanable upholstery.

USE DILUTION: Ready to use – No mixing necessary.

USE DIRECTIONS:

Ready to use, no dilution required.

Pre-test in an inconspicuous location for dye stability and upholstery shrinkage.

1. Sponge or scrape up any surface spot material.
2. Spray or sponge Pro Spotter onto the spot.
3. Blot with clean white absorbent cloth. Do not rub. Deep spots may need light brushing. Work from the outside to the center of larger spots.
4. Repeat steps 2 & 3 as necessary. Rinse area with clear water if needed to remove excess spotter. Brush fabric to align fibers.

USAGE TIPS:

- Pre-test in an inconspicuous location for dye stability and upholstery shrinkage.
- Blot with clean white absorbent cloth. Do not rub. Deep spots may need light brushing.
- Work from the outside to the center of larger spots—make the spot smaller, not larger
- Brush fabric to align fibers after spot removal
