

**NEW!**

**EVEREST 870HP**

# NO LIMITS!

**SERIOUS Performance and Durability  
for the Most Serious Cleaning  
and Restoration Pros**

**The Everest 870HP far surpasses all the rest.  
Here's what's under the hood:**

- Industrial 57 HP Kubota 4-cylinder liquid-cooled engine
- Patented fin tube heat exchanger
- Eurus blower built to custom specs – 20% more vacuum than the competitor's largest slide-in truckmount
- E-Idle System included – saves up to 23% on fuel
- Cerakote® treated exhaust reduces radiant heat transfer up to 30% to extend the life of internal components and reduce heat build-up in your van

**Here's what comes standard:**

- 5-year limited warranty – a first for a slide-in!
- 120 gallon waste tank
- 14" 6-jet titanium wand with PTFE glide
- 150' of 2" vacuum hose
- 150' of 1/4" high pressure solution hose
- 50' water supply hose with quick connect
- 2 - 2" vacuum hose couplers
- Easy to access pre-filter box
- 5 gallon chemical jug and holder
- 25,000 Legend Rewards points!!

**BUILT WITH THE BEST** of Prochem and Sapphire Scientific innovative engineering, the new Everest 870HP delivers all the competition-busting heat and power you need for:

- 1, 2 and even 3-wand cleaning
- Fast extraction of flood jobs
- Hot water high-pressure cleaning
